About Us

Country Kids Stay & Play is committed to providing quality activity and play experiences for children aged 4-11 yrs. We offer a home from home environment priding ourselves on being child-led in our practice and engage in a lot of creative and sensory play.

The Club will endeavour to create a stimulating environment for children that will foster their independence and self-esteem whilst supporting the key components of every child matters:

- ✿ Being healthy
- ✿ Staying safe
- ✿ Enjoying and achieving
- ✿ Making a positive contribution
- ✿ Achieving economic well being

As Play Workers we support and facilitate child's play by incorporating the Play Work Principles into the Club's ethos.

Procedure

The Club's work principles are always displayed on our notice board along with a copy of the Club's weekly activities and planning.

The Club seeks to encourage and foster children's independence and self-esteem by allowing them to make discussions as to how they want their Club to run and how they would like their time to be spent at the Club for example:

- ✿ The Club rules are reviewed with the children each term; they are asked if they would like to add any new rules or to make changes to any existing ones, such as how many can play badminton at one time.
- ✿ We involve children in the planning of the Club and regularly seek to review the facilities and toys that the Club offers by sending home regular questionnaires for both parents and children to complete.
- ✿ We listen to the children's comments and respond accordingly
- ✿ We give children the freedom to choose what they would like to do at the Club
- ✿ The children are allowed to choose any activities or equipment
- ✿ We celebrate all cultures and diversities and incorporate this into our planning
- ✿ We value every child and celebrate their achievements

The Club regularly carries out observations to reflect on practice and to help children extend their play.

We support the professional development of our Play Workers and encourage them to develop their knowledge of Play Work.
