Nassington School

Welcome to Willow class!

Your teachers for this year will be:

Miss Annand – Class Teacher
Miss Naylor – Class Teacher,
Thursday morning
Mr Dave Dent – PE
Mme. Kernick – French

Willow Class

In Willow Class, there will be lots of opportunities for the children to enhance their learning through our interactive role play areas and use of different continuous provision areas within the classroom.

Class Dojo

We are continuing to use Class Dojo this year. We will use it to share with you some of the classroom activities your child has been involved in. These will be added to your children's individual portfolio (visible only to yourself and teaching staff) or on Class Story which is visible to all the parents of Willow Class. Please continue to share with us any pictures or home learning that children do, as we love to see them.

Spellings for Willow Class will be added to Class Story every Friday for the children to practise and learn.

Homework

Each half term homework will be set linked to our Topic. We include a table with ideas and suggestions and ask you to choose at least 2 items to complete. The homework is set a few weeks into the new term and returned to school on a given date where it is shared with the whole class.

What will you need for school?

PE kits will need to be worn every Monday and Thursday – please make sure that you have the correct kit suitable for indoor and outdoor PE sessions – **these items should all be clearly named**. It is important that girls' hair is tied back for health and safety and no jewellery is worn that day.

Children will need to bring in their book bags each day with their reading books and reading diaries. We will hear the children read once a week in school. Please can adults remember to sign and make a comment in your child's reading diary. Our book changing day is Wednesday.

Reading

We cannot emphasise enough the importance of reading regularly with your child at home. Sharing books and discussing them with your child will make a considerable impact on their confidence and reading ability. Therefore, we ask you to try and read with your child **at least twice a week**.
