The post involves working in our Early Years (Oak) class. You will be working under the guidance of the Class Teachers, developing and implementing various strategies to facilitate learning for all of the pupils and supporting the staff with the smooth running of the setting.

We are looking for someone who has excellent communication skills, shows initiative and has a desire to have a positive impact on pupils' learning outcomes.

You will need to:

- Have the ability to build positive relationships with children
- Be hard working, enthusiastic and creative, with plenty of patience and an understanding of children's needs
- Offer encouragement and praise to build self-confidence
- Provide feedback on learning progress to the Class Teacher
- Have the ability to be flexible and adaptable with excellent communication skills

Applications from candidates with experience of working with children with Special Educational Needs are particularly encouraged, although there will be training opportunities available for the successful candidate. There may also be a requirement for intimate care, given the age of the pupils.

We are committed to safeguarding and the welfare of children and young people in our care, and expect all staff to share this commitment. We follow safer recruitment practice and appointments are subject to an enhanced DBS check, medical clearance and the receipt of two satisfactory references.

Nassington School is a small and vibrant village primary school, located in the picturesque village of Nassington. We currently have 78 pupils on roll, from Reception to Year 6. We received a 'Good' judgement for our Ofsted inspection in November 2023.

We are able to offer you:

- Excellent support from a professional and caring team
- Well-behaved, polite and enthusiastic pupils
- A strong team spirit within a small, hard-working staff
- Supportive parents and Governing Body
